

Date: 1st November 2022

Circular No. (31) 2022

To All Pharmacists & Pharmacies

Subject: Dispensing Medicines with the same active pharmaceutical ingredient name, strength, and dosage form

Dear All,

Kindly be aware in case the written medicine in the prescription is not available you can dispense other medicine with the same active pharmaceutical ingredient name, strength, and dosage form even from different manufacturer to the patient instead of asking the patient to return to the doctor and change the medicine name.

Appreciate your cooperation.

Dr. Mariam Athbi Al Jalahma
Chief Executive Officer
